PRECIMETAL PRECISION CASTINGS at **ESEF 2018 – Utrecht** (Netherlands)

PRECIMETAL will attend the ESEF – The meeting place for the Dutch manufacturing industry.

ESEF is considered as the largest fair for industrial supplies and subcontracting in the BeNeLux.
As a major actor on the precision casting market in the Netherlands, PRECIMETAL will be present at this event and will show its expertise in molding of metal parts by the lost wax casting process.

You are cordially invited to join us in hall 1 stand F010
